

SCOTTS VALLEY HIGH SCHOOL PARENT CLUB
555 Glenwood Dr., Scotts Valley, CA 95066

Dear Business Owners and Concerned Citizens:

The Scotts Valley High School Science Department really needs your help in modernizing its classrooms. It has become increasingly difficult to meet the demands of providing 21st Century teaching with outdated or scarce equipment, including broken lab chairs and an acute shortage of microscopes. We are hoping to raise at least **\$35,000** for the following items:

- | | |
|---------------------------|---------------------------------|
| ✚ Lab chairs | ✚ Science lab supplies |
| ✚ Microscopes | ✚ Fume hoods for each classroom |
| ✚ Interactive whiteboards | ✚ Textbooks |
| ✚ Spectrophotometers | ✚ Response system clickers |

We need your generous donation to modernize Scotts Valley High's Science Department and help create a science education that meets the demands of our modern world. In appreciation for your generosity, we will recognize all donors, and place a handmade 12" x 12" tile identifying donors of \$1,000 or more on the front of the school as a "**SVHS Science Star Sponsor**".

Thank you in advance from all of the students currently enrolled at Scotts Valley High School and all of the students in the future who will benefit from your donation!

Sincerely,

Denise Ahlstrom
